FIRE APPARATUS MANUFACTURERS ASSOCIATION Statistics Committee

Jul 23, 2015

Dear FAMA participant:

We'd like to thank all the participants for such a timely response this quarter but we'd still like to do better next time.

You will find several items in this zipped package. In the main folder you should find the following four files (in Microsoft Excel format) which are the compiled anonymized and summarized fire apparatus booked and shipped statistics for the 2nd quarter of 2015.

- 2Q2015 booked-by-state.xls
- 2Q2015 booked-by-truck.xls
- 2Q2015 shipped-by-state.xls
- 2Q2015 shipped-by-truck.xls

In the "rawdata" folder, look for the following two (anonymized) raw data files for Booked (B) and Shipped (S) trucks for this quarter so that you may do any other investigations you wish.

- FAMA_Trucks_B_04-01-15_06-30-15.xls
- FAMA_Trucks_S_04-01-15_06-30-15.xls

Finally, in the graphs subfolder you should have five graphs (in PDF format) to help put the data into perspective historically.

- Book to Build.pdf
- Main Totals.pdf
- Minis-Brush-Crash-Refurb.pdf
- Rescue-Tankers-Aerials.pdf
- Sales vs Ship.pdf

Sincerely,

Mike Schoenberger
Chairman-Statistics Committee
